Our goal is simply to help as many hurting people as we possibly can, to **Meet, Follow, Know, and Share Jesus Christ** while growing Christians.

## **Dental & Medical Outreach Worldwide** **Ethiopia Africa, November 2-12, 2023**

Heather and I are scheduled to volunteer with Hand of Hope Outreach. Unfortunately, I will have to miss it as I tore my right hamstring from the pelvic and had surgery to reattach it September 26<sup>th</sup>. Please keep us in your prayers as I recover and as Heather participates with a the team of 60 Dentists, Hygienists, Doctors, Nurses and Assistants.

**Please help us celebrate this outreach as we work with

Share with your co-workers why you are taking your lunch. Let them know that you love helping those that are in need as Jesus does.
